Measure, Appointment or Topic: HB3075

I am an Oregon Voter and I don't support this measure. This bill won't fix any problems and no criminal will go get a permit to purchase a gun. This will not solve any problems please look at the gun violence problems in Idaho. They are lower than Oregon, Washington and California. That should show that all these gun laws don't work. Start holding up the laws agent criminals and not releasing them. This bill won't saves lives like Portland thinks it will.
