

Submitter: Robert MacDonald

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3871

We in Oregon desperately need regulation on breeders. It makes no sense that rescues are so heavily regulated, meanwhile, the people largely responsible for the overpopulation in dogs get away Scott free with no regulations or requirements. They need minimum standards for care of every animal. They need to pay registration fees, and carry licenses. This is beyond much needed!
