this bill should unequivocally be dismissed, it will do nothing at all to boost public safety, But it for sure would put businesses & create even more road blocks for regular citizens, However I'm sure it will line a few pockets, the supporters of this bill ( and others like it ) claim to be pushing for public safety, yet they refuse to enforce laws already on the books, quit coddling criminals and persecuting regular folks that have done nothing wrong, we deserve better, I suspect the folks pushing these bills already know that, yet do not care, since it doesn't support their agenda, Please rethink this mess,
