Measure, Appointment or Topic:

HB3166

My name is Monique Bochsler, and I am writing to express my opposition to bill HB 3166, which seeks to implement ranked-choice voting—a measure that has already been rejected. If the goal is to enhance voting integrity, I urge you to prioritize voter ID requirements and mandate in-person voting using paper ballots. We should move away from voting machines entirely.

Thank you for your time,
Monique Bochsler
