Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3076

I am a parent of two young children who is concerned about the regulation of deadly weapons in our neighborhoods. This is a common sense measure to ensure that guns are being regulated properly. Gun sellers should be subject to same types of regulation as other businesses in our communities- it is shocking to learn that the average gun dealer is only inspected once every 57 years. Please pass HB3076.
