When native Oregonians oppose a stupid bill ALL legislative members should listen we are a free state and dont want our gun rites taken away it won't stop the idiots that purchase guns on the street or stolen guns I belive guns should be in a locked safe but that's it your not going to stop the outlaws selling stolen guns never will that's the fact no matter how many laws you push on us we the people need to vote on bills like this so you can see the position of Oregonians if they vote it in then OK I will be leaving because of Oregon going to the idiots
