Measure, Appointment or Topic: HB3856

I am writing today in OPPOSITION of HB 3856. At a time where Oregonians are struggling, this will further the burden. We don't need more taxes to fund the states pet projects and fill the general fun coffers. This is irresponsible. Those low income and on a fixed income will suffer the most as they are already struggling the most. I urge you to vote NO on this bill and really consider the financial burden Oregonians are feeling.
