

Submitter: Edward mcguire

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Any new or additional gun control legislation will only harm law abiding citizens. Overwhelmingly crimes are committed by criminals (!) using stolen or otherwise illegal firearms. They have already broken the law, adding additional restrictions will have ZERO effect. Adding cost or time is folly, law abiding citizens will wait it out, it will not decrease the number of firearms or decrease violent crime. Never has, never will.
