I work for St. Vincent de Paul Society in Lane County. We run one of the largest Veteran Service programs in the state and last year we rehoused more than 200 service members and supported hundreds more. Many of these veterans live on fixed income which includes retirement pensions. Removing taxes on funds earned in service of our state and nation is an easy way to help ensure veterans can survive in an increasingly uncertain housing market. Please do the right thing for our veterans.
