Measure, Appointment or Topic: HB2050

I support HB2050 Income Tax Exemption for our Veterans. Twenty-six states have already provided income tax exemption for military retirement pay for their Veterans. Our Veterans have dedicated themselves to the defense and service to our nation and state. Our citizen soldiers support communities throughout Oregon. They have answered the call protect communities throughout Oregon. I believe this will encourage veterans to remain and raise their families within the great state of Oregon. Please pass HB2050 Income Tax Exemption to Veterans. It is the right thing to do for our veterans.
