Bill: HB 3075

I would like to submit testimony against HB 3075. This bill infringes upon the rights of legally abiding citizens and prevents them from effectively using the rights enumerated to them in both the state and federal constitution. As a husband and father who has used these right to bear arms to legally defend my family, I know the true cost of these laws. The bill, if passed will not deter crime, but will make law abiding citizens less able to defend themselves and their families.

I urge all legislators to do what is within their power to stop this bill.

Thank you for your time.
