I am an Oregonian and I want to feel safe in my community. I'm frankly horrified to find the average gun dealer is only inspected once every 57 years. No wonder 6,000 crime guns were recovered in our state last year!

Nearly all other industries - food trucks, salons, nail shops - are inspected. We must ensure the most deadly industry is held accountable to basic business standards.

Please pass HB3076 to keep crime guns out of our communities!
