Measure, Appointment or Topic: HB2050

I support this effort to take care of our veterans after they retire. This will enable better recruiting and retention efforts in Oregon, align with the other 26 states that don't tax military retirement benefits, and will permit retirees to remain in Oregon with their discretionary income rather than fleeing to a more military friendly state. Military retirement benefits and potential taxation on these entitlements is a significant factor when a military member permanently retires. I am extremely honored by those introducing this Oregon House Bill in an effort to pursue tax relief for our veterans.
