My name is SFC (Ret) Gerald E. Oliver. I retired from the Oregon Army National Guard with 24 years' service. I am in my 70s now, I understand having limited income. Having an exemption from state income tax is important to me especially since my wife died recently. As a retired registered nurse, she enjoyed a nice social security check each month. After her passing my monthly retirement income has diminished substantially. Having served the Oregon Army National Guard faithfully, I support any benefits that will make my retirement more comfortable! Thank you
