Measure, Appointment or Topic: HB3856

We don't need another tax! You raise the hunting and fishing license, and then give them a discount, but it's not really a discount because you've raised the prices. I wish you would stop taxing us on every little thing. This is something that needs to go to the people to be voted on, not some committee that thinks they know what we want. You don't know what we want because you don't ask us. If you would ask us before you submitted these bills, you would that another tax is not it. You use the general fund like it was a revolving bank account, so a portion might go to the department of fish and wildlife, but it's really to pad your own pockets. I AM OPPOSED TO THIS BILL AND IT SHOULD NOT BE PASSED.
