Measure, Appointment or Topic: HB3076

Please Oppose HB 3076!! The Oregon Legislature should not be adding anything to Ballot Measure 114. This Measure is still in the process of litigation and interpretation as the higher courts will be responding to the recent Appeals Court Decision. HB 3076 will be damaging by going after the small businesses that sell firearms. HB 3076 proposes a state licensing program for federally licensed firearms businesses, imposing additional burdens on small businesses that are already heavily regulated. This could drive small businesses out of operation, reducing the number of legally processed firearm transfers and pushing Oregonians toward unregulated financial options. These regulations do not enhance public safety but instead harm law-abiding businesses and citizens. This will not prevent crime!! HB 3076 will be another infringement of our Second Amendment Rights as Firearm Owners. I strongly urge you to oppose HB 3076. Thank You
