

Submitter: Richard Giampietri

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

This measure increases the likelihood of getting military retirees that have other earnings to remain or relocate to Oregon. Oregon does so many good things to attract Military Veterans, but the greatest detractor to those who can choose is committing more than the cost of a mortgage in other states that do not have state income taxes. I speak for myself as I look at relocation decision in the next 12 months.
