

Submitter: David Logan

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Human Services

Measure, Appointment or Topic: SB5526

The last few budget cycles, the legislature hasn't provided adequate funding for salaries and collective bargaining. Oregon DHS is losing a lot of its employees and facing staffing emergencies and mandatory overtime. Please increase wages and benefits so we can retain state workers. The mandatory overtime is killing the workforce literally.
