Measure, Appointment or Topic: HB2050

I support this measure. Retirees have served to defend the Constitution of the United States on the people's behalf. They have put themselves in harm's way. Retires benefit any community they are in. Passing this measure would be a great gesture for Oregon to give back to those who have served. It may also attract more retirees to move to the great state of Oregon.

Thank you for the opportunity to make a statement.
