Measure, Appointment or Topic: HB3076

I oppose HB 3076. It is an irresponsible use of taxpayer money and time. Federal firearms licenses are already required. We don't need to put small businesses out of work. We need to support them. This is only an attack on our constitutional rights and responsible firearms dealers. Oregonians want access to firearms and small businesses that support our 2nd amendment freedoms. This bill directly affects my husband's small business and the one I am about to start.
