

Submitter: Jane Cramer

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3755

Most Srs I know look to move out if OR because of our very high tax load. This has been getting a lot of press lately so I would expect this trend of looking to leave the state to increase. Portland 2nd highest taxes to NYC. ???. Who wants to stay there??? You need to do something to show you are sensitive to our issues and to the EXTREME nature of taxation in Oregon.

This would be a start. Do it!!!
