

Submitter: Pam Lewis

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3755

I have been married to my high school sweetheart for 51 years, we have always lived in Oregon. We have lived in our current home for 21 years as our primary residence. We have less than \$150K income annually .

We have 11 adult children, 9 of whom we adopted from the 'hard-to-place' category because it is the right thing to do.

I volunteered for 30 years with our local ambulance service because I love our people in our rural town. I spent 15 years working as an ER RN, because I love our people in our small town.

My husband and I have coached schools sports, volunteered at our home church and county fairgrounds.

We would love to see this HB pass and see our legislators support us now as we become 'more chronologically mature' and live on a fixed income.

Regards, Pam Lewis
