Measure, Appointment or Topic: HB3076

Good afternoon,

I am Monique Bochsler, and I stand against HB 3075. The fiscal implications of this bill are troubling, particularly regarding the potential rise in government spending, the financial strain it could place on taxpayers, and the negative impact on local businesses. These factors provide strong justification for my opposition. Unnecessary financial pressure on our state's economy and its citizens. A thorough assessment of the financial consequences of HB 3075 is vital.

Thank you,

Monique Bochsler
