Measure, Appointment or Topic: HB2050

I am in full support of this bill. As a daughter of a retired veteran of the US Army, I believe that all retired veterans should be exempt from paying state taxes on their retirement income. They served our country, we should take care of them in every way possible. I fully support veterans because I know first hand the sacrifices they make and the time away from their families. I know that an exemption would be appreciated by my dad as he lives his retirement years of life.
