Measure, Appointment or Topic: HB2050

Committee members,

Both my husband and I are current active members of the Oregon Army National Guard. I will be retiring next year and my husband within the next 8 years. We have both discussed moving to another State which does not tax military retirement, as that will be a primary income for our household. If this House Bill passes, there is a strong possibility we will consider staying in Oregon during our retirement years. I believe this opinion is same for many retiree's of the Oregon National Guard. Thank you for your support on this measure.
