

Submitter: Kenny Nguyen

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am opposed to HB 3075 in Oregon because it is in clear violation of our constitutional right to bear arms. The introduction of a permit system raises serious concerns by granting excessive discretionary authority to law enforcement, which could result in unfair and biased decisions about who is allowed to own firearms. This bill does not target the actual cause of gun violence, and it seems to only restrict access to firearms for minority communities.
