Measure, Appointment
or Topic: HB2050

I support HB 2050.

Currently, there are 35 states that are free of income tax for retired veterans and multiple states that exempt portions of retired pay. I currently serve and have 3 years left in the military and must consider staying in Oregon where I was born and raised or move to another state away from family and friends to help stretch my income. Please vote "yes" on HB 2050 to keep our veterans home.
