Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

I support passing of HB 2050 which exempts from state income tax for a taxpayer who is a veteran all retirement pay or pension received for service in the Armed Forces of the United States.

As a Veteran in a rural community I know of many that are living paycheck to paycheck. Passing HB 2050 would go a long ways to helping our Veterans, especially elderly Veterans living on a fixed income.
