SUBJECT: Yes on SB 703/HB 2788

Dear Chair Prozanski, Vice-Chair Thatcher, and Members of the Committee,

My name is Ethel Gullette, I live in Beaverton, Oregon, and I am writing in strong support of SB 703/HB 2788, funding immigrant legal services.

I enthusiastically support SB 703/HB 2788, Pathways to Protection and Citizenship. SB 703 allocates money to the Department of Human Services to award grants to nonprofit legal service providers that cover the cost of clients' legal services. This is a bill that will save and strengthen families, improve outcomes in ODHS programs, bolster our workforce, and strengthen the general fund by helping immigrants transition from state services like Healthier Oregon to OHP.

Up to 1/3 of Oregonians without an immigration status are actually eligible under federal law for an immigration status. That is over 25,000 Oregonians who, but for the high cost of legal services, are living in fear, out of the employment mainstream, and unable to support their families. Immigrant and refugee communities make up more than 13% of our state's workforce, yet legal costs prevent many Oregonians from obtaining a more secure immigration status.

Immigrants with or without immigration status in our state are hard-working, law-abiding, productive, valuable members of our communities. With all the threats aimed at immigrants coming from the current federal administration, we need to support our immigrant neighbors in any way we can.

Thank you for your time and for standing with all Oregonians.

Sincerely,
Ethel Gullette
Beaverton resident
