

Submitter: Mimi Maduo

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3786

Oregon's coast is not only a state treasure but a treasure of the entire world. There is no other place like it with 300+ miles of public access beach. Coastal ecosystems are fragile with pollution and climate change we need to be forward thinking and protect these environments and support our coastal communities.
