On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

HB 3075 is a continuation of the assault of the 2nd amendment rights of the people of Oregon. This poorly written, absolute abomination of a bill will do nothing more than penalize law-abiding citizens and restrict peoples ability to defend themselves, their families, and their communities. Like 114, this should be thrown in the trash where it belongs.
