HB3075

This is a big error in judgment if legislature passes this law. Our RIGHTS are not privileges as the constitution states. According to *Murdock v. Pennsylvania* 319 US 105, converting a right into a privilege is unconstitutional. Furthermore, *Shuttlesworth v. City of Birmingham, Alabama*, 373 U 263, if a state converts a right into a privilege, the citizen can ignore the license and fee and engage in the right with impunity. Records keeping of our Firearms transactions is violating our constitutional rights. I believe Oregon is headed down the same path that California took. This does not stand well with the voting citizens of this state.
