As a native Oregonian who has served our country for over 24 years, I loved returning back home after my active duty time. I joined the Guard after i set my roots here after traveling all around the world. Many other states offer this (for no state taxes to be taken from military pension). It would be a wonderful gesture to enjoy that here in our beautiful state, especially in an ever-increasing climate of veteran benefit reductions. I am proud to have served and I'm proud to be an Oregonian!
