Measure, Appointment or Topic: HB3076

I vehemently oppose HB3076 due to its government overreach nature. HB 3076 proposes a state licensing program for federally licensed firearms businesses, imposing additional burdens on small businesses that are already heavily regulated. Also, this could drive small businesses out of operation, reducing the number of legally processed firearm transfers and pushing Oregonians toward unregulated financial options. Lastly, it won't prevent crime. These regulations do not enhance public safety but instead harm law-abiding businesses and citizens.
