

Submitter: Dayna Denmark Halliday

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3755

As a widowed senior trying to keep my home has become quite the struggle. Cost of living increases, homeowners insurance skyrocketing, it's all taking it's toll on my fixed financial retirement. This bill would be a blessing. Please consider the welfare of all of Oregon's senior citizens and pass HB 3755.

Mrs. Dayna Denmark Halliday
