

Submitter: Dean Blades

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

I think Oregonians have been taxed more than enough and it time to start cutting the waste and fraud going on in this state, I would strongly urge this legislation to be killed and another approach taken that involves an audit of every agency in the state that shows the voters where and how the money is actually being spent.

Thank you for the time be consideration.
