

Submitter: Janelle Schneider

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I'm an Oregon voter and I strongly support HB3075-1. Please pass this without delay so that it is ready for full implementation of measure 114, once the courts stay is lifted. We passed Measure 114 to reduce gun violence, lets begin to save lives.

Thank you,

Janelle Schneider
