

Submitter: Shauna Johnston

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I strongly oppose house bill 3076.

FFL's already have to be federally approved and licensed through the ATF. This is just another way of limiting the gun rights of law-abiding citizens and will put small businesses out of business due to the additional, and unnecessary, regulatory burdens. This bill does nothing to address the crime in our state.
