Dear Democratic legislators,
Oregon voters have voted down Measure 117 to have ranked voting in Oregon. Why is this bill being pushed down the voter's throat?
Open primaries is a very bad idea. We need balanced candidates from both parties, not two candidates from the same party on the ballot.

I grew up in the Soviet Union and I know what it's like to live in a state with a single party to choose from. I immigrated to the United States hoping to get away from this horrible political system.

Thank you very much for your attention.
