Measure, Appointment or Topic: SB1076

I support this Senate Bill 1076. As a concerned citizen and animal shelter volunteer, I see overpopulation, animals in poor physical conditions due to neglect, behavioral issues due to lack of training and many are surrendered and/or dumped due to back yard breeders who are unable to sell; therefore, dispose as they are costing money to maintain. Breeders calling dogs designer dogs and charging high prices that seem fashionable, which in turn, someone buys a cute puppy and gets tired of training, raising and expenses and once again disposes. Breeders should have the same, if not. equal financial responsibility as shelter and rescue organizations are accounted for.
