

Submitter: Joshua Burns

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

As a medical provider in the State of Oregon I often consider what fixed income at retirement age will look like. I am aware states like Arkansas do not tax military retirement income and this would be a significant incentive to service members who have dedicated a large portion of their adult life to the service to remain in Oregon after they retire.
