

Submitter:

Gregory Brewer

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

HB3166

We Oregon voters already voted against this. Please quit wasting time circumventing our vote and work on things that we haven't voted down. Truly amazing that you would try to sneak around the will of the people that already voted against this. We are paying attention to how you vote and we will vote accordingly in the future.

Remember you work for us.

Thanks for your time
