HB3166

I vehemently oppose HB 3166. This is nothing more than ranked choice voting which The citizens of Oregon already said no to RCV. It doesn't matter how much lipstick you put on a pig , it's still a pig at the end of the day. This is extremely underhanded and deceptive. This would completely obliterate election audits . RCV elections cannot be audited. You tout how wonderful our elections are yet we have little to no transparency , absolutely zero chain of custody, no identification requirements, and no citizenship verification. . That is a far cry from a free , fair, and transparent election

NO NO NO TO HB 3166. .
