

Submitter: Jean Murphy

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I'm a PERS recipient. For years I have joined others to request that my retirement funds are NOT invested in fossil fuels. Our use of fossil fuels is destroying the planet's livability for many plants and animals, including us foolish humans. Why would anyone want to invest in more such projects? Short term profits but long term irrevocable damage is the result.
