

Submitter: Christopher Gray

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This is not the way to go about this issue. Bundling all these different restrictions and requirements on 114 doesn't make sense. I believe it is just going to make criminals of honest responsible citizens and keep citizens from being able to protect themselves when it matters most. I'm all for safety and training, but requiring payment to the state for a permit on a right and limiting magazine capacity is unconstitutional and not going to save lives as so many preach.
