Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2050

Retirement and/or pension pay received for service in the US Armed Forces should be exempt from state income tax as veterans and their families already sacrifice an inconceivable amount in order to serve our country. This exemption is earned in countless ways that only the 1% who choose to serve can truly understand. Let us not take more from those who have given so much.
