

Submitter: Brooklee Livingston

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

We already voted on this. This is terrible for law abiding gun owners. Gun laws should not be voted on and then dismissed because liberals think guns are bad. Let's take every knife because it's a weapon. Better yet, let's take away cars and booze because more drunk drivers kill people every year. The second amendment rights shall not be infringed and this is exactly what these lawmakers are doing.
