Representatives Lively, Evans, Gamba, and McLain:

You have already received the voters' response to Rank Choice Voting. We defeated it in Nov 2024. We said NO. You pushing this bill is NOT listening to the will of the Oregon people. Your constituents have already spoken. Not only did I vote NO on M117, I wrote a voter pamphlet statement and educated over 500 other voters in the process of collecting those signatures as to why RCV is bad for democracy, not to mention everyone in the state of Oregon who happened to read the facts I wrote on why this voting is so subversive to our governing. Do not vote for this bill. Do not circumvent the will of the people. And do not try to tell me "Final Five Voting" isn't the same as RCV, because it is exactly RCV! This bad bill needs a resounding defeat. Vote NO!
