HB 2050

?

Dear Committee Members,

I request that you support HB 2050. I am a current service member with close to Three decades of faithful service to our Country and Oregon; Oregon is my home, but among other things, I will be forced to consider taxation as I choose my final retirement location. Please make my decision easy and join the other 39 States by supporting/passing HB 2050.

V/R
