Measure, Appointment or Topic: HB3075

I am in opposition of HB3075. These ridiculous measures do nothing to protect and stop gun violence, law abiding gun owners are not the problem, mental health, sick, and bad people are the problem. Guns don't kill people, people kill people. Drugs are illegal and somehow there is still an enormous drug problem everywhere, how do you think that taking rights away from law abiding citizens, will ever fix the issue? Fix the mental health problem not strip my rights away as a law abiding citizen. Therefore, I am in opposition of HB3075.
